**MESSAGE OF SUNDAY 1ST JULY 2007
OLIVETO CITRA (SA) ITALY**

SAINT BERNADETTE

Brothers and sisters, it's Me, **Bernadette**, the Woman who gave all Herself and Her works to the **Holy Trinity**. I've descended for the **Heaven King's** will, My Father and your Father.

Don't doubt, because **God** can manifest Himself through any son and any daughter of His who may devote his her life to Him and answer His call. Therefore don't doubt, because spirituality's without age.

I'd wished to talk to you for a long time! Just today, some of you've asked Me to help them, and I've heard their prayer, and this is the confirmation. Do believe, don't doubt! Don't doubt! Don't doubt! Don't doubt! I beg you, do believe, now I'm confirming it. (*Saint Bernadette calls some present at the Manifestation to give their evidence*).

Here are the confirmations that the **Beautiful Lady** wishes to give to you. There are still other brothers and other sisters who don't believe, but I know, in fact I hope that they'll believe, because if they don't believe in this instrument of Mine, they won't believe deep down of their heart. Because here, the things, that **God** does, are serious!

As I said before, just today some of you've prayed Me, and I was expecting this, Her to say this. (*Saint Bernadette refers to a sister, present at the Manifestation, who confirms and gives her evidence*). Here, these are the signs that the **Beautiful Lady** told Me, before coming here, among you.

Always pray! Today's another aim that the whole Group attained, and so did I. I'm always among you whenever the **Beautiful Lady** gives Me permission, because She's still My guide today; without Her, I couldn't live. She's all for Me. Even if, in the middle of you, there are still some people who don't believe, but it doesn't matter, I've already carried out My mission, now it's your turn. I've given some signs, at least I think!

Always be humble, because humility's the foundation of a holiness way. Abandon the exaltation spirit, falsehood, haughtiness, jealousy, selfishness, because they're useless, they cause you suffering and they cause to suffer. The teaching, that the **Beautiful Lady** told Me to respect, was always: humility and prayer.

Give love, all the times and everywhere God will send you. Provide that it may be always Divine Love, and never mischievous! Never mischievous! Never! Because at times you rely on this, but We know it sometimes it's pure and sometimes it isn't instead.

I love you and I thank you and, one more, I tell you to believe. Do believe! I beg you, do believe! When I saw **Aquero** for the first time, I too didn't believe in what I was seeing, even if, exactly, I didn't know what It might be, but I only saw a **White Lady** dressed in white and wholly bright, who, only when looking at Her, gave Me a great peace and kept Me away from my parents' sufferings. Because I used to have My family sufferings, too, you aren't the only ones! For this reason I'm talking like that because I understand you. I lived in this world, too, so I know what may mean to have some sufferings.

But the Beautiful Lady told Me, in one of the last Apparitions, that She' d have given peace to the world until it hadn't been converted to Her Immaculate Heart, and it hadn't abandoned Satan.

Because there's Satan! He's entered to form part of Church, too. But if Church were all constituted by God, it wouldn't happen anything what's happening. Because you see what's happening! It isn't Saint Church any more! It's the Church as a group of people who tempt themselves and are mistaken. And God isn't sure He won't be able to trust them any more! So, He's creating His Church in the world.

Now I've to leave you, but, when the **Beautiful Lady** gives Me permission, I'll be always among you. I love you! I'm blessing in the name of the **Father**, of the **Son** and the **Holy Spirit**.

Shalom!
