**MESSAGE OF TUESDAY 14TH AUGUST 2007**

**NEVERS (FRANCE)**

*(Convent of Saint Gildard where Saint Bernadette's Body is exposed)*

*(The message was given in the hall of Novitiate)*

### **SAINT BERNADETTE**

My children, forgive Me for this wait, but you know that I love to hear you praying, and for this reason I wanted to complete the Rosaries together with you.

This is a great day for you and for Me, this is a great aim that we reached together. In this moment **God the Omnipotent Father** is testing the hearts of each of you. Don't be afraid! It's all permitted by **God**.

My children, don't be afraid, have faith! I love you so much! I made you come here, to let you know another side of My life. **A day, not very far, My Body will give great signs, to give more and more confirmation of all what was planned about Lourdes. At Lourdes so many things will have to change, and in that moment they'll remember the Group of God.**

Continue to pray in your hearts, don't be afraid! **They've got My Body but not My Heart. They too, like Lourdes, are corrupt by the Church; for this reason God will give great signs in this place.**

They understand, because the spirit has got no languages, but they don't want to understand and believe. Don't be afraid! Don't be afraid! Give good witnessing!

My children, I love you so much, and I'm thanking you for this your perseverance. In this way you're showing Me your love. Always persevere and have faith! I'll be always near you. I'm asking you to always pray with your heart and with humility, because it's important, because in this way your prayers arrive in Heaven.

I love you so much! Don't be afraid of what will be able to happen.

Now I've to leave you, but I'm always near you. I'm blessing you, My children, in the name of the **Father**, of the **Son** and of the **Holy Spirit**.
