**MESSAGE OF SUNDAY 5TH AUGUST 2012
OLIVETO CITRA (SA) ITALY**

SAINT BERNADETTE

Little brothers and little sisters, It's Me, your little Sister **Bernadette**. I'm happy to be here, among you all, you're My joy.

On this special day, **God the Omnipotent Father's** granted Me permission of speaking to you, to give you My love and to give you many joys.

I also wish to call some of you, I've heard your prayers and they've arrived straight to My heart. (*Saint Bernadette calls some of Her little brothers and little sisters to give their evidence*).

My little brothers and little sisters, I love you and I wish so much to give you My love that's great.

Brothers and sisters, these are the joys that the **King of Heaven** wants to give to you, open your hearts more and more and you'll feel an eternal joy.

Like every joy, it must be earned with sacrifice, with love, in overcoming the trials, but especially through prayer, the weapon that **God the Omnipotent Father's** given us to conquer every temptation.

I love you, My little brothers and little sisters, I'll never get tired of repeating it because you're part of My heart, and I'll always help you, because together we'll help all the souls who don't know the great love of **God the Omnipotent Father**.

My little brothers and little sisters, thanks for your perseverance and your prayers. The **Beautiful Lady's** calling Me, I've remained among you more than how much I should have to, because I love you so much and I'd always be helpful. Now there's a great celebration in Heaven.

I love you, My little brothers and little sisters, Our **Heavenly Mother's** blessing us in the name of the **Father**, the **Son** and the **Holy Spirit**.
