**MESSAGE OF SUNDAY 3RD FEBRUARY 2013
OLIVETO CITRA (SA) ITALY**

SAINT BAKHITA

Brothers and sisters, it's Me, your Sister **Bakhita**. Don't be afraid, because I too was allowed to speak in this place (*Oliveto Citra*), where the **Holy Trinity** lives.

I'm very happy to be here, among you; I've prayed all the Rosaries with you, I've donated you My presence with many new scents, I've donated you My love, caressing you all.

I always wish to help you, because I understand your sufferings, your weaknesses, and I wish to tell you that anything can be overcome by prayer, falling in love with **God** more and more, He's the **Lord** of Our souls and He doesn't want that you depart from His grace.

When I was in this world, I've received so many sufferings, so many humiliations, but in My heart I've never lost the joy, even when I hadn't known **God's** love yet.

I was sold into slavery several times, but I've always been free, because what makes a man a slave it's the sin and not the chains, therefore, My brothers and sisters, be strong to reject the temptation and you'll be free in your hearts.

I love you very much! Take these teachings in your hearts and live them day after day and I'll comfort you with My love.

I thank you all, because, every time that you pray Me, I can't help listening to you and interceding for you. I love you and very soon I'll tell you all that I've lived and all that brought Me into the arms of our Brother **Jesus**, He died for our sins, now up to us to thank Him and honour His Divinity, sanctify yourselves! It isn't difficult, it's enough always putting **God** to the first place and you'll never take the wrong way.

I love you, My **Lord's** calling Me, I've to go, but wait for Me, because soon I'll come back to talk to you.

I'm blessing you all in the name of the **Holy Trinity**: in the name of the **Father**, the **Son** and the **Holy Spirit**.

I love you!
