**MESSAGE OF SUNDAY 7TH JULY 2013  
OLIVETO CITRA (SA) ITALY**

**SAINT BERNADETTE**

My little brothers and My little sisters, It's Me, your little Sister **Bernadette**, I'm here together with **Aquerò**, the **Beautiful Lady**, My and your Mother and Mother of all the world.

You're feeling Her presence with a strong heat, with Her scent, give honour to Her! **Today's a very special day for Me, I wish to give you lots of joys to confirm My presence in this place (*Oliveto Citra*) that will be known as Lourdes very soon. I wish to talk to you about what will happen in Lourdes, so that you can recognize the signs that God's giving, especially to those who run My Grotto, that humble place which the Beautiful Lady gave Me and that no one considered, now they've done of It a place of commerce, of power, and this doesn't go well.**

My little brothers, My little sisters, **God** can do anything, don't ever forget this! Little brothers, little sisters, don't fear, it's time to win with the truth. **In Lourdes Aquerò's going to give great signs and great sufferings, It's no longer My Lourdes, some things even bigger are going to happen. Don't doubt, the Beautiful Lady's always there, but not even any more the rock of the Grotto of Massabielle's holy.**

**Very, very, very soon, for God the Omnipotent Father's will, the statue of the Beautiful Lady will be destroyed, together with the Grotto, because Lourdes, My Earth, will reborn as God the Omnipotent Father designed.**

For this reason, little brothers and little sisters, you must be strong, you must overcome any trial with a lot of humility.

You don't believe that it be difficult to give yourselves to the **Holy Trinity**, it isn't difficult, there are success I, you can too. Love one another! Respect one another! Annul what makes you sad, pray with your heart, and when you get tired, ask for help, ask for help also to Me if you like.

You can do it if you're here is because you can! Never feel alone, never, I know you're suffering, even I suffered so much, but the **Beautiful Lady** was always at My side, every time I thought of not making it, it wasn't easy for Me to live in the Church, it wasn't easy not feel understood, believed, but with Me there was **Aquerò**, and this was all, **also there (*Nevers*), one day, not too far away, My Body will give you great signs, where even the whole world will see, and all this will always happen to help the souls to convert themselves, to help them to get closer to God.**

My little brothers and little sisters, don't be afraid for all this, because the great Plan of **God the Omnipotent Father** must go on.

I love you so much and every time I'm happy to manifest Myself among you. Don't worry, I always hear your prayers, but always pray without ever tiring.

**Aquerò's** upon us, She's covering us with Her Mantle, let's raise our little chaplets to Her, She promised Me that She'll touch them and, with these little chaplets, you'll have the strength to pray without distracting yourselves, we can't disappoint Her, Her hand's touching them, they're blessed, you'll have the signs, you'll have them!

Now be strong, it's all truth.

I've to go now, My time here in your midst is finished, the **Beautiful Lady's** calling Me and I've to obey Her. The **Beautiful Lady's** blessing us, in the name of the **Father**, the **Son** and the **Holy Spirit**.
