**MESSAGES OF SUNDAY 6TH OCTOBER 2013
OLIVETO CITRA (SA) ITALY**

LUCIA OF FATIMA

Brothers, sisters, don't fear, I'm **Lucia of Fatima**. **Our Lady's** here, the **Holy Trinity's** here, **Jacinta** and **Francisco** are here with Me by **Our Lord's** will.

We wish to speak to the world, We pray for the world, We love you. The world must be saved from sin and We do what we can to help **Our Lord**. Do this, you too; the first step you need to do is to believe because nothing's impossible to **God**, those who believe become His messengers.

Now is the era in which you must speak with the truth; the world needs truth: this is to do Our Lord's will, as John Paul II should have wished, the last Pope that Our Lord gave to the Church, so that It might repent. He'll be a Saint, because, very soon, He'll give the whole world very great signs of His Holiness.

JACINTA OF FATIMA

Little brothers, little sisters, it's Me, your little Sister **Jacinta**. We've much longed to speak to you and to the whole world, because We wish the world to know the truth that the Church didn't reveal; believe in everything We tell you, because all this is **Our Lady's** will.

We're suffering so much, because We see that so many souls are lost; the Church's very responsible of them and It does nothing to help them and it's for this reason that **Our Lady's** chosen you, to help all those needing about it.

Pray because the souls, who go to Hell, are many. Hell is a very ugly place. **Our Lady** made Myself seen It more times. Little brothers, little sisters, We're always in the middle of you.

FRANCISCO OF FATIMA

Little brothers, little sisters, it's Me, **Francisco**. I much longed to speak to you, because I love you so much and I wish to help you to overcome any obstacle.

I'm asking you to help Our Lady to save souls away from God; everything can happen through unceasing prayer. The world must understand that God's intervention's in progress, the "Third Secret of Fatima" will be accomplished every day and all of you'll witness it.

Let yourselves find ready, because **Our Lord** wishes to use everybody to spread the truth. We pray for the world so much; I'm inviting also you to do it, so we'll be only one force. I love you so much, pray Us and We'll help to overcome all trials.

LUCIA OF FATIMA

Brothers, sisters, I together with Jacinta and Francisco, will donate you great confirmations. One not far day, We'll manifest ourselves in Fatima at the Cova da Iria, where Our Lady appeared Us on 13th May and, every time that She appeared Us, it was the 13th of May for Us.

Our Lady of Fatima will give great signs soon and She completely will confirm Fatima and Her "Secret", because there are still those who don't believe, the unbelievers don't like the truth.

Brothers, sisters, Our mission's finished. We'll come back soon, We've much to tell, We've much to prophesy by **Our Lady's** will. Love Her above all else: She deserves all Our love; give many gifts to Her.

Our Lady, together with the **Holy Trinity**, is blessing us all, in the name of the **Father**, the **Son** and the **Holy Spirit**.

Our Lady's with Me and with you.
