**MESSAGE OF SUNDAY 2ND MARCH 2014
OLIVETO CITRA (SA) ITALY**

SAINT BERNADETTE

My little brothers, my little sisters, the **Beautiful Lady** gave Me permission to be in the midst of you. I always pray together with you; I'm feeling a great joy to be here, along with the **Beautiful Lady** in your midst. The **Beautiful Lady** loves you so much and She'd do anything for each of you, then believe in Herself, and always thank Her and pray Her, because She hears all your prayers.

My little brothers, my little sisters, love Her as I love Her with a pure, simple, humble love. The **Beautiful Lady** loves all of Her children so much, She prays and She always asks the **King of Heaven** to help them. The **Beautiful Lady's** the mercy of **God the Omnipotent Father**; take care, take courage to honour Her.

My little brothers, my little sisters, this world's going to live great tribulations: it didn't want to understand that salvation isn't the power, but the faith, the true faith. In **Lourdes**, the only faith, that remains, is deceived. So many of my brothers and of my sisters go there, in My land, with a great faith, with a great love, and I'm sad to see them deceived by a human power; for this reason, my little brothers and my little sisters, pray without ever tiring, never forget this great day, because it will help you not to be discouraged in the days, that will come, of great suffering, but don't fear, because you'll never be alone, always hold on to the **Holy Trinity** and to the **Beautiful Lady**.

Be proud of your choice! All of Heaven's near to the souls who choose **God's Love**. The **Beautiful Lady's** calling Me; I've to go, but I promise you that, when you've need of consolation, I'll get closer to you, making you feel My love, if ever the **Beautiful Lady** gives Me permission.

The **Beautiful Lady's** blessing Us with Her great Love, in the name of the **Father**, the **Son** and the **Holy Spirit**.
