**MESSAGE OF SUNDAY 15TH JUNE 2014  
SCHIO (VI) ITALY**

**SAINT BAKHITA**

Brothers and sisters, it's Me, your sister **Bakhita**. I'm here among you at the behest of the **Holy Trinity**, because I've prayed so much for each of you. I always do it because I wish to help you in order to achieve all the aims that **God's** planned for all of you.

Brothers and sisters, my love for you is immense. When you're tested by **God**, think that is the proof of His love for you, that's why you've to overcome obstacles, in order to show your love for Him. I know that people suffer so much in this world, but the joys, that await you, are greater than sufferings. The moment of true conversion's come: **God's** already prepared the great joys; make sure that He be proud of you. I give my love to your hearts because they're pure hearts, good and none of you'll be able to go back. I love you, brothers, I love you, sisters! Always be **God's** servants and don't ever let yourselves try, in order to not ever take the wrong way towards Holiness. Today's a special day: **God's** sent me to talk to some children, because all of you can be ready for anything that He'll give you very soon.

Brothers and sisters, **God's** preparing everything and everyone for the great events that will be there; always be like children because they know how to get to Heaven. In your trials, pray **God** with all your heart, because He speaks to you and He comforts you. When I lived terrible moments, when evil did everything to discourage me, I asked for help in my heart without knowing **God** and I'm disclosing you that He appeared me through a very strong light that blinded me, but It filled my heart with so much love, with so much strength, that they taught me to forgive, to move forward. Do the same you too. You aren't alone: **God** never abandons you. I love you. I'd always stay in your midst but I can't, My **Master's** calling me. I've to go, but wait for me because I'll return to speak to you very, very soon. I'm blessing you all in the name of the **Holy Trinity**, in the name of the **Father** and of the **Son**, and the **Holy Spirit**. I love you.
