**MESSAGE OF SUNDAY 6TH JULY 2014
OLIVETO CITRA (SA) ITALY**

SAINT BERNADETTE

My little brothers and My little sisters, it's Me, your little sister **Bernadette**. Here I am, as I promised you, I'm here in the midst of you, in order to give you lots of love and strength; continue to pray Me because I love to hear your prayers.

My little brothers and My little sisters, I wished to pass among you, to give you My presence. Do believe it, because it's really Me!

My little brothers and My little sisters, I know that it isn't easy to believe in anything, but if you open your hearts, everything will become clearer: nothing is impossible to **God**, because He's our **Creator**.

My little brothers and My little sisters, pray for My Lourdes, as it's in serious danger, because of the human Church, formed by consecrated people who haven't converted to God, for this reason we've to overcome and become strong, to bring forth the new Church, the Church of God, formed by love, by brotherhood.

I love you, little brothers and My little sisters. Thank you for your love, for your prayers, keep praying.

Now I've to go. The **Heavenly Mother** is waiting for Me, but, before going, I want to donate a '**Hail Mary** to Our **Heavenly Mother** with you, in order to thank Her for all Her love. Let's all pray together in one voice, in one heart!

Thank you, little brothers and My little sisters. I love you so much and I'll carry with Me all your prayers. Now, Our **Heavenly Mother** is blessing us, in the name of the **Father**, the **Son** and the **Holy Spirit**.
