**MESSAGES OF WEDNESDAY 12TH JULY 2017
OLIVETO CITRA (SA) ITALY**

HOLY VIRGIN MARY

My children, I'm the **Immaculate Conception**, I'm the Woman Who gave birth to the Word, I'm **Jesus's** Mother and your Mother. I've descended with very great power, together with My Son **Jesus** and **God the Omnipotent Father**. **The Holy Trinity's** here, among you.

My children, I love you immensely! I'm giving you My perfume, I'm passing among you and I'm caressing you. I longed to get you to feel My presence in order to console your hearts. Do believe, My children, have faith! I long the conversion of the poor sinners, there are a great many in the world. They don't understand the risk that they run; pray for them!

Humanity doesn't want to realize that it's self-destructing. We want to save souls through all who pray and who have understood the true life. Follow My Son **Jesus**: He's life! You'll never find joy in this world. I love you and I always wish to help you.

It's a very special day today, My children: **Jacinta** and **Francisco** will speak to you. Pray in your hearts, because I'm here and I'm listening to your prayers.

JACINTA OF FATIMA

Little brothers and little sisters, it's I, your sister **Jacinta**. We're here among you, We've longed to talk ; **Francisco** and I have to tell you a lot, even if Our experience in this world was little, but **Our Lady** taught Us so many things in that little.

Our Lady taught Us to pray, to do it with all Our heart; She taught Us to love everybody, even the poor sinners, especially them. She taught Us and asked Us to offer so many small sacrifices so that Our Spirit grew more and more, but, above all, She taught Us always to say the truth, what they don't do in this world, what the Church doesn't do.

Our Lady gave you this task, because those who know the truth are very responsible. You know the "Third Secret of Fatima," and this is what makes you responsible for so many souls who don't know this truth. Get it to know all over the world, so that many souls may repent. When it was revealed to Us, We couldn't say anything, but We had to guard it in Our hearts; for Us, it was very difficult to say nothing, but Our Lady wished so.

Little brothers and little sisters, never fear, **Our Lady** and **Our Lord** never leave you! They love you so much. You, too, demonstrate the love that you've for Them. Do penances, sacrifices, and pray so much, but do it with all your heart.

FRANCISCO OF FATIMA

Little brothers and little sisters, I'm Francisco; I longed to talk to you on this special day. **Our Lady** wishes that all Her children to understand the importance of prayer with all their heart, only through it the world will be able to be saved from sin. We prayed so much in order that the world could be converted, pray for all of this.

Little brothers, little sisters, everybody can put into practice Our Lady's teachings, She wishes the salvation of all souls. The world must know the "Third Secret of Fatima", it will be confirmed day by day and Our Lord wishes that everybody to be ready in order to understand His work.

Be humble at all times of your life, be full of love for the poor sinners, all this was taught to Us by **Our Lady**.

I love you, little brothers, I love you, little sisters! Pray Us at every moment: We'll be close to each one of you.

HOLY VIRGIN MARY

My children, the Holy Trinity's presence is very strong among you. Don't fear and persevere, We'll always give you the strength to persevere. Believe even when it isn't easy. Joys will soon arrive, you'll see Me and you'll be the first witnesses.

I love you, I love you, I love you! Now I've to leave you. I'm giving you a kiss, My children, and I'm blessing you all, in the name of the **Father**, of the **Son** and of the **Holy Spirit**.

Shalom! Peace, My children.
