**THE MESSAGES OF 1 THURSDAY 12TH OCTOBER 2017
OLIVETO CITRA (SA) ITALY**

SAINT GABRIEL THE ARCHANGEL

Brothers and sisters, it's Me, **Archangel Gabriel**. Together with Me there's **General Michael** and **Archangel Raphael**. We're here and we're forming a barrier against evil.

Today I'm here for the **Heavenly Father's** will. He sent Me to announce the changes that will take place all over the world. In many cities, where The **Holy Trinity** took abode, the plan, that **God** had established, wasn't understood and many denied the truth, that truth which was to be announced to the world so that many souls were saved.

There will be a great purification all over the world very soon. In this place, in this same month, the great miracle of the sun will happen, the same miracle that happened at Fatima where there were very many healings and there will also be here, so that the miracle can be confirmed. At Fatima there will be great miracles again, it will be known more and more throughout the world. The "Third Secret of Fatima" will be known, the whole world will have to know it, because it was revealed for the salvation of souls. Many are hindering the disclosure of this message, especially the Church, because it speaks of many things that happen in It. Pray more and more, so that everyone can reach Heaven. Brothers and sisters, I love you. Very soon, I'll announce you other events that there will be in the world. Now I've to go, I'll return together with **General Michael** and **Archangel Raphael** soon.

The **Holy Trinity's** blessing us all, in the name of the **Father**, of the **Son** and of the **Holy Ghost**.
