**THE MESSAGES ON SATURDAY 28TH OCTOBER 2017
AT "COVA DE IRIA" INSIDE THE LITTLE CHAPEL OF APPARITIONS
FATIMA (PORTUGAL)**

JACINTA OF FATIMA

Little brothers, little sisters, let's all make the Sign of the Cross. Our Lady's here in front of you, don't be afraid because this is Her will. **We prayed so much to talk to you from here, in this Holy place where Our Lady appeared to Us, where Our Lady revealed the Heaven secrets.**

The whole world will have to know Fatima for its secrets and for its miracles that will come very soon. From here, Our Lady asked Us to pray for the whole world. All of this will soon be known all over the world. Our Lady revealed Us very important secrets for the Church; Our Lady revealed Us all that's happening nowadays. No one will be able to forget Fatima; the signs that will come to this place are great. Our Lady will appear here and only those who will be made ready will see Her.

The Church will begin to persecute you again. No one will be able to hinder God's plans Who has in order to save His children. The sun will return to dance as it did on 13th October, a very great day that will become important all over the world very soon.

Don't be afraid! What we're saying is all truth, do believe it! Our Lady appeared right here where We're. In Her Secrets, Our Lady revealed Us that the one who is at the head of the Church doesn't do Her will, as our Lord wishes. Pray for these souls because Our Lady wants that too them can see Paradise! In this place, Our Lady asked Us to make so many sacrifices. We did it and We obeyed everything She asked for. We gave Our lives for the poor sinners. **Francisco, Lucia and I'll give great signs of Our presence in this place.**

FRANCISCO OF FATIMA

Little brothers and little sisters, don't be afraid, Our Lady protects you all! Archangels are in the midst of you. **From this place, the truth was revealed; Our Lady revealed Us many secrets, also the future ones. America will be attacked by adversary nations, Our Lord will allow this, so that souls may ask for His intervention, so that they may recognize the truth.**

Our Lady revealed to Us that the old Church will fall into ruin, day after day; the new, Holy, pure Church, will reign over the world and many souls will understand God's powerful intervention.

Little brothers, little sisters, never fear! The truth will rule forever and lie will be annihilated. Our Lady will triumph all over the world, Fatima will be a place of conversions, miracles, wonders. The plan will go on with very great power.

JACINTA OF FATIMA

Little brothers, little sisters, there will be wars: all this will serve in order to purify so many souls. Many will be the countries that will disappear. Pray, so that many souls may be saved and many countries will recognize Our Lady. All that We are saying to you will happen very soon, do believe it and never lose faith, even Russia will be converted.

Little brothers, little sisters, **Our Lady** loves Us so much! She's always close to Us, at any time. **Francisco, Lucia and I'll** always be next to you, because We've this mission that will continue again. Little brothers, little sisters, We've to go now. Our Lady's calling Us, but remember that **Lucia, Jacinta and Francisco** are always with you. **Our Lady** is blessing Us all, in the name of the **Father**, of the **Son** and of the **Holy Spirit**.
