**MESSAGE OF SUNDAY 12TH NOVEMBER 2017
OLIVETO CITRA (SA) ITALY**

SAINT BERNADETTE

My little brothers, My little sisters, It's I, your sister **Bernadette**, I'm here because I so much prayed, in order that **God the Omnipotent Father** would have granted this to me.

I longed to talk to you and I so much wish to talk to the whole world, that must never forget Lourdes, that it so much needs many prayers because, soon, many punishments will be there.

The **Beautiful Lady's** here, She's donating you Her presence. She loves you, She loves all Her children without preferences, She continually invites you to pray for the world. Listen to Her, even I did it and I still pray with Her for all you, because evil's very strong in this world.

Dig in your hearts, so that you can find the source, the one that will lead you into Paradise. She, the **Beautiful Lady**, taught Me to dig into My heart; She was My Master and I followed all that She invited Me to do.

I'm always with Her, everywhere, because **God the Omnipotent Father** grants Me it. The **Beautiful Lady's** eye was always on Me, even when I didn't see Her I felt protected, loved and observed, because **Aquerò** did never leave Me, as She does with you, with all those who do the will of Heaven.

Prayer makes you humble and humility makes you saints. Holiness is love: it's very simple to witness it, if there's **God** in your hearts. The **Beautiful Lady** donated Me so much love and responsibility.

My little brothers, My little sisters, in this place God the Omnipotent Father's plan is great: there will be healings, wonders, miracles. This place will become like My Lourdes and that's why God the Omnipotent Father entrusted this plan to you, in order to protect it from institutions, from power, from sin. Know how to protect it and to understand the importance of this place and of your call. The Beautiful Lady's with you, She never leaves you, don't be afraid!

Little brothers and little sisters, it's a very important day for Me today, a new way begins with you today, because **Lourdes** has to be recognized as **God** desires. **Lourdes will have to be a point of reference for many souls who need to find faith, love. Lourdes will have to be recognized as a place of great healing.** The **Beautiful Lady** will be there to wrap all those who wish to be enveloped by Her love. She asks us to pray, so that all this may happen as soon as possible. I love you so much and I love being here in the midst of you.

Soon, I'll point you the exact point where the water will flow, as in Lourdes here too the water will make healings. Wait for Me, because all this isn't far away.

My little brothers, My little sisters, the **Beautiful Lady's** calling Me, I've to go. Everybody, raise your eyes to Heaven with the **Holy Rosary** in your hands, because She wants to bless you, She's being moved and Her tears are over you.

The **Beautiful Lady's** blessing us all, in the name of the **Father**, of the **Son** and of the **Holy Spirit**.
