**MESSAGE OF TUESDAY 12TH FEBRUARY 2019
OLIVETO CITRA (SA) ITALY**

SAINT BERNADETTE

My little brothers and little sisters, it's I, your little sister **Bernadette**. **The Beautiful Lady's** here; She loves you and thanks you for your prayers, for your sacrifices, for your renunciations, for your perseverance. Do everything with love and that's why you'll be rewarded.

I'm very happy to be able to speak to you from this Holy place, where **the Beautiful Lady** laid Her gaze: this place' s chosen by **the Most Holy Trinity**. Take care of it, protect it from power and institutions.

Little brothers, little sisters, turn towards Her, venerate Her, pray Her, because She's Our only salvation! She chose Me in order to help to save souls in this world, full of slavery. She revealed to me so many secrets about the Church: these secrets I kept until today. **The Church tried to silence me, but very soon, the truth about the Ministers, who govern it, will come out: many of them will go to hell, because they didn't want to recognize Good. They wanted to follow the perversion path, which is against the law of God.**

Don't be afraid to face the human pride! **The Beautiful Lady** always told me that I wasn't alone, but that Her love was guiding me. My little brothers and sisters, learn to listen to your heart! In the first apparition **Aquerò** didn't speak to Me, but in my heart I heard: "**Que soy Immaculada Councepciou**", I didn't understand, but that voice was the same voice that called Me to Massabielle everyday. When they asked Me: but this woman, that you see, is **God's Mother?** I didn't know what to say: for Me, She was just of a Celestial beauty. At the second apparition, She told me that I wouldn't have been alone, but that She would have spoken to the heart of one of Her children, who would have helped Me, but I didn't understand. I kept praying, as She taught Me. In **Lourdes** no one believed Me, I suffered so much, but when I went to Massabielle everything made sense. One day, Mr. Curate of **Lourdes**, Father Peyramale, called me. In his eyes I saw a light and so much fear, he had my own eyes. **The Beautiful Lady**, it was Her who spoke to him - but I couldn't know it but **the Beautiful Lady** revealed in his heart, that She was "**the Immaculate Conception**", but He was afraid, my own fear.

My little brothers and little sisters, all this is to make you aware of how I met **Aquerò**, of how She entered My life, without coming out of it anymore. She was my strength, the strength I needed to move forward. For Me, the years spent in the convent were difficult; **Aquerò** helped me to be humble with my Neighbour, to love with my heart and even today She's My strength. I love Her as much as I love all of you. Learn to be humble among you!

My little brothers and sisters, very soon We'll reach Lourdes because there, there is need of many prayers, there are souls who pray Me with all their heart and they need Me, but unfortunately the Church doesn't let to understand the importance of the great plan that there's on Lourdes. Always pray me, because **the Beautiful Lady** and I listen to you.

My brothers and little sisters, always be perseverant! The Most Holy Trinity will make great wonders in this place! My little brothers and little sisters, **the Beautiful Lady** is calling me, My mission is over, but always pray me, because I'm always here among you, because I love to pray with you.

I love you so much! **The Beautiful Lady** is blessing us. Let's bow our heads! In the name of the **Father**, of the **Son** and of the **Holy Spirit**.
