MESSAGE OF SUNDAY 5TH JULY 2020
(First Sunday of the month – live on Facebook)
ITALY

SAINT MICHAEL THE ARCHANGEL

Don't be fear, It's I, **Michael**, the most powerful **Archangel** in Heaven and on earth. I'm the Prince of the Heavenly Militia, General of the Divine Army; I've descended with very great power, together with **the Archangel Gabriel** and **the Archangel Raphael**. **The Most Holy Trinity's** among you.

The divinity of **the Holy Spirit** is always in your midst. When you pray, **the Angels** hear your requests and present them to **the Father**. Brothers, sisters, the time has come: the great changes have already come a long time ago, the Church has chosen power. Satan has deceived those who run the Vatican, but they haven't realized the betrayal committed in the eyes of **the Most High** yet. They haven't realized that they have also lost the power, which they had chosen, yet. The world doesn't listen to the Vatican any more.

Famine will continue to hit Africa. Many epidemics will reach cities corrupted by sin. Some powerful men are fighting to enforce God's law, but they're fought by those who worship evil. God's people are in confusion, they don't know, they don't understand whom to listen to, but the Most High has reserved the faith gift, which will be manifested through great wonders, which will be done by men who do His will.

The Light of the Most High will extinguish the darkness of Satan! Don't be fear, brothers and sisters! For those who have faith don't need fear anything! The Most Holy Mother Mary will show you the Light way. Pray, pray, pray: this is the prayer time! Many natural events will strike Asia, because they don't want to accept God's law. Many innocent souls will be led into Paradise.

I love you, brothers and sisters! Today, My mission has come to an end. I desire to bless all your houses, in the name of **the Most Holy Trinity**. In the name of **the Father, the Son and the Holy Spirit**.
