## **MESSAGE OF SUNDAY 6TH DECEMBER 2020**

*(First Sunday of the month - Facebook live)*

**ITALY**

### **SAINT MICHAEL THE ARCHANGEL**

Don't fear, I'm **Michael**, the **Divine Army's General**, the **Virgin Mary's Sentinel**, She who gave birth to the Word! I've descended with power, together with the **Archangels Gabriel** and **Raphael**: the Angels are above you. **The Most High's** hand has sent Me among you to show you in order to indicate the way in this world of darknesses. Satan wants to make the world forget the most important day in the history of man since creation: the **Messiah's** birth, the man's **Redeemer**, but **the Most High** won't allow it. We, Heaven Angels, will donate Our presence to every man of good will, in every house where **the Most High's** will is fulfilled. On the waiting night, you'll each take a lighted candle and wait for **Jesus's** birth, gathered in prayer. You'll have bread and wine in front of you; you'll break the bread in your **Messiah's** memory. In your homes, with your family, you'll remember **the Holy Family** in **God's** love. **The world doesn't remember the taste, the love joy. Sufferings aren't enough. Too many souls have been lost because of sin; those responsible will pay. What you're living is nothing: many peoples will live much greater things. China, India will be hit by great epidemics because they don't recognise the life importance: Our Creator's greatest gift! Italy will be freed from oppression by the Most High's will. The Holy Spirit will donate freedom in the hearts of those who are suffering. Pray, brothers, pray, sisters, pain and suffering will bring you closer to the Most High. The Most Holy Mother Mary will convert many hearts far from Her Son Jesus, but the hardest ones will go through many sufferings, so that they can change their lives. Don't be afraid, because the Church is you who pray, who live Christ's word! Those who hide behind the institutions don't represent you, the world has understood this. The powerful have understood it and now they seek approval, by going against God's law. No mercy for them! Don't fear! The judgment will come for them, too.**

Brothers, sisters, Our presence's upon you. This peace, this love, that you're feeling, is We Angels. Pray with the heart: this is what **the Most High** asks of you. The gifts, the signs, are fulfilled by **the Holy Spirit**. Be strong for those who are weak, they don't know who to listen to, what to follow. **The Most High** will choose who will lead His people, without looking whether it may be a consecrated or not. Brothers, sisters, the Light children will shine in the world. We'll fight together against the darknesses of Satan and his followers. My mission has come to an end today, but Our presence will remain among you. I wish to bless you all and your homes. Bow your heads! In the name of the Father, **the Son and the Holy Spirit**.
