MESSAGES OF SUNDAY 3RD JANUARY 2021

(First Sunday of the month - live on Facebook)

ITALY

LUCIA OF FATIMA

Brothers, sisters, it's We, the three Little Shepherds. I, **Lucia of Fatima**, am speaking on behalf of **Our Lady**. She wants Me to speak to the world, what Her wishes are. She spoke at **Fatima** and, in part, She was believed, but a very large part of the world ignored Her salvation Message for the world, including those in charge, that is the Church. In the **Third Secret of Fatima**, She spoke of the great betrayal that the world would make of Her Son **Jesus**, by denying Him, by denying His **Cross**. She spoke of the great sacrilege committed in the Vatican by establishing two Popes: this isn't possible, it isn't the will of **God the Omnipotent Father!** **The world no longer has a spiritual guide, things are getting worse, day by day. Much harm is being caused to souls who don't understand. Many are being tempted by hatred, greed, power, building weapons to destroy nations and peoples, causing wars that will soon be there. The Third Secret of Fatima is a great warning that mustn't be ignored any longer. Our Lady made Us participants in Her great suffering, getting Us witnesses of the future of humanity. Many souls will go to hell, pray Her! She always told Us: "pray, get all My children pray!" Prayer unites you to Heaven, what the world underestimates. Don't sleep, wake up!**

JACINTA OF FATIMA

Little brothers and sisters, We're here at the will of **Our Lady** in order to reveal to you once again the secrets of Heaven, which everyone doesn't know yet. We wish to console **Our Lady**, who suffers so much because of the many sins that are committed in the world every day. We wish to help those who don't well know the truth well yet. We're asking you to listen to your hearts, because it's there that **Our Lord** speaks to us. Every soul, that converts, is a precious pearl for **God**. Little brothers and sisters, the world still can't understand that everything, that is happening, is serious. The Church still doesn't say anything. They don't make **Our Lord** respected. The powerful of this world think that they can manage everything, but no one can manage the will of **God**, which serves for the salvation of Our souls. **Our Lady is always close to those who pray Her, to those who seek Her. Pray Her with all your heart! She'll give some signs; very soon, She'll give signs in all the places, where She appeared. Those places, in the eyes of God, are stars shining in the world of darkness.** Little brothers and little sisters, pray very, very much, so that **God** may still use mercy for those who don't believe in Him! Don't be deceived by what they tell you, but follow the Laws of **God!** All this was said to Us by **Our Lady**.

FRANCISCO OF FATIMA

Little brothers and sisters, don't be afraid! All what you are experiencing was already announced in the Secrets of **Fatima**. Mankind must know and must understand the times in which it is living. The Church can't hide from **God's** work. Penances must be done, so that the souls of poor sinners can reach Paradise.

The world will experience a great war. Nations will clash. God's people must be led by those who serve Jesus Christ. Those, who humiliate Him, will be punished. Jesus must be adored: He gave His life for the world! Be strong, because the truth will triumph!

LUCIA OF FATIMA

Brothers, sisters, listen to **Our Lady's** voice! "My children" - She said to Us - "Come to the Cova, I wish to speak to you for the world. I wish to use you also in the future. I'll give many possibilities to those who will listen to Me!" She used to say these words to Us. People came there from many parts of the world, even though We were very afraid. The crowd flocked to feel Her presence, to get Her Messages: it never was tired of praying. The crowd needed the Heaven presence : this We felt.

Our Lady donated Us so much; She wants to give it again to all of you who love Her and believe in Her. **Brothers, sisters, We'll soon return to speak to you; take everything seriously! The laws, which have been passed against the Law of Our Lord, will lead many to perdition. Never stoop to these laws, because Our Lord is with you. Print the Ten Commandments in every house!**

Fatima too will be sorely tried. Many Consecrated will make themselves found ready, especially those who believe in Fatima and Its Secret.

Now We've to go, wait for Us! It won't be long; by **Our Lady's** will, We'll guide you. **Our Lady** is blessing us all, in the name of the **Father**, the **Son** and the **Holy Spirit**.

Our Lady is with Me and with you.
