MESSAGE OF SUNDAY 7TH FEBRUARY 2021

(First Sunday of the month - live on Facebook)

ITALY

SAINT JOHN THE BAPTIST

Brothers, sisters, I'm **John the Baptist**, I'm the One who baptised **Jesus, God's Son**. I'm the One who prepared the way for His coming into this world. I've descended with very great power, together with and by the will of the **Most Holy Trinity**. Today's a very special day, I wish to speak to the whole world. I wish to speak to the people of **God**, wishing to hear the voice of the **Father**. I'm speaking in the name of **God**, My life is **God's**, everything is **God's**: He's the **Creator**, We are the creatures. Humanity must understand all this, be humble and lower itself before the **Creator**. Those who have power in this world have lost the right path, allowing laws that are contrary to divinity, offending **God's** heart. Many innocent and devout souls are suffering because of these abominations. I'm turning to you, pious souls; the **Most Holy Trinity** loves you, is always near you and asks you to always be strong. Always have your eyes on the **Holy Law**! Only in this way, you'll never be confused by all that's happening in the world.

Over the centuries, the word of **God** has always been clear, simple, pure, comprehensible, but in recent times, men, who have turned their backs on **God**, want to make it complicated, imperceptible. **God the Omnipotent Father** is very angry, because He loves, loves, loves His creation! He sees everything and will never again allow His word to be tarnished. His mercy's about to come to an end and whoever willfully disobeys will give an account to Him. Love, peace, truth, **God** has given it to each of His creatures. No one can manage it, understand My words well, because, then, it will be late.

I love you immensely and I'm asking you never to lose faith. Pray, pray with all your heart and the **Most Holy Virgin Mary** will wipe every tear from your eyes.

Very soon, there will be great changes throughout the world. Hold fast, people of God! Always put into practice the teachings of the Most Holy Virgin Mary; She leads you to My Brother Jesus, who is your salvation. Don't fear! Great confirmations are about to come, brothers and sisters. Always take care of your souls by prayer and sacrifices!

I love you, I love you, I love you! I always wish to help you! Now I've to leave you, but My Spirit's with you. Never fear and shout the truth! Have the fear of **God** in your hearts: this is a great gift that will never lead you astray! Now I'm blessing you, brothers and sisters, in the name of the **Father**, the **Son** and the **Holy Spirit**.
