SAINT BERNADETTE

My little brothers and sisters, it's I, your little sister **Bernadette!** The **Beautiful Lady** is with me close to each one of you. I wish to take you all to Lourdes, to make you feel the air of **Lourdes**. The **Beautiful Lady** grants you Her graces, Her blessings, Her protection, Her love; She grants you all that she can. Always kneel before her because She wants to be heard; even at this moment She wants to be heard! Close your eyes with joined hands as I did when I saw Her in the first Apparition.

My eyes saw Her, even when they were closed. At this moment, She's donating Her perfume of flowers: they're the yellow roses that She has on Her feet. The fresh air, the shivers, the beating of the heart, the warmth on the face, all this is what I felt in **Lourdes** in the first Apparition, and today many of you are feeling it. Stop your thoughts at this moment, there's nothing more important! The world takes away your time to dedicate to **Jesus**, who deserves all your availability.

Today, I'm very happy to be able to speak to you; I've entered many homes and I'll remain there if you always pray to me, so that I may intercede for all of you whom I love so much and wish to help.

All your sufferings, your illnesses will be consoled; many of you are sick and have asked for healing. Some of you'll be heard and you'll remember this moment. Many times, illness is a gift that sanctifies your souls; I too had been ill for a very long time, it was all that I could offer to the Good **Jesus**.

Many illnesses are caused by the wickedness of men, who thirst for power and have no pity for the human lives dear to Jesus. These sinners risk hell and the Beautiful Lady always weeps for these children of Hers, who work so much evil. Pray and console Her heart with me! The world offers you very little compared to what the **Beautiful Lady** donates you together with **Jesus**.

My little brothers and sisters, I've to go, now. The **Beautiful Lady** is calling me; I'll soon return to speak to you: I desire it so much! I desire to live unique moments together with you.

I love you! The **Beautiful Lady** is blessing you all in the name of the **Father**, the **Son** and the **Holy Spirit**.
