LUCIA OF FATIMA

Brothers, sisters, It's **Lucia of Fatima**. For those who believe, for those who don't believe, I'm here for everyone. **Lucia of Fatima** is your friend. It isn't good to know the secret of Heaven: it's very demanding for me. I want to reveal it also to you together with my cousins, **Jacinta** and **Francisco**; wait for them because they'll speak to the world, soon. **Francisco** was so good: he never said no to anyone, he was too tender, he wasn't suitable for this world. **Our Lady** took him to Heaven very soon. **Jacinta** was very stubborn: she wasn't afraid of anyone and she always and only told the truth. **Our Lady** took her to Heaven very soon, because she too wasn't suitable for this world. **Our Lady confided me many secrets. Some of them have already been revealed, many things still have to be confirmed. "A hurricane of lies" - She told me - "will invade the world for several years, where many will drown in lies. You, My daughter, pray!" - Our Lady told me - "because man's indifference makes God's heart suffer. "Pray - She told me - every day!"** Even though I always used to pray, She always invited me to do so. Today, I'm inviting you, don't be indifferent! There are too many sins and many of you need conversion in order not to lose your souls. Pray! **Every place on earth will be tried; every place on earth will have to be ready, because Our Lord will spare no place. He loves you, He wants to put an end to your sufferings! Soon, you'll understand more His immense love. Everyone and everything must be submitted to Our Lord. The doors of the Churches will be closed.** Brothers, sisters, I've to go! I'll return soon. **Our Lady's** blessing us all, in the name of the **Father**, the **Son** and the **Holy Spirit**.

Our Lady's with me and with you.
