LUCIA OF FATIMA

Brothers, sisters, it's **Lucia of Fatima**. I've been in Mission since the day I was born; you're too, called by **Our Lord** to bring His word. **Our Lord** is no longer spoken of as He wishes. They transformed His divinity into something very human and those who don't understand are very confused; there's no need that each one to have care for appearance. **Our Lord** desires the heart in what you do; you cause Him too many sufferings, by appearing like Saints, but you aren't. **I'm speaking to you who are responsible for His Word: invite and make souls want praying every day, because you know very well that the world is in danger and souls are being lost! Begin to fear Our Lord, for many things will still change for the worse, I well know the Secret of Our Lady! She wanted me to reveal it to the leaders of the Church who should have had to lead humanity to pray and believe in Our Lady and Our Lord. The secret puts fear, responsibility, it reveals many truths about the lies of the Church.** They were very good at deceiving even many of the Church itself who were trying to do **Our Lord's** will. They were good at bringing down almost everyone, even with me they tried, never succeeded. **Our Lady** was My truth, that one my eyes saw and that one my heart felt.

Brothers, sisters, soon, I'll manifest myself, together with Jacinta and Francisco, to donate a Message that concerns the future of humanity. Pray, the true prayer: the one that Our Lady loves listening to.

I've to go. **Our Lady's** blessing us all, in the name of the **Father**, the **Son** and the **Holy Spirit**.

Our Lady's with me and with you.
