MESSAGE OF SUNDAY 5TH SEPTEMBER 2021
(First Sunday of the month - live facebook)

LUCIA OF FATIMA

Brothers, sisters, it's **Lucia of Fatima**; with me, there's **Jacinta**, there's **Francisco**. **Our Lady** is always beside you who pray and She loves infinitely even those who don't pray, but She weeps for them, because they're Her weakest children, those who risk losing their souls. She always cries and asks for prayers for all those who don't pray, who practice evil, who commit evil, who let themselves be led by evil.

How many things **Our Lady** confided me when I was shut up in the Convent of **Coimbra**! But no one knew it, that **Our Lady** continued to appear to me. She didn't ever leave me alone, the world, yes, left me alone, everyone abandoned me! I'll always speak now, no one will be able to stop me as I did then. How many impediments, how many obstacles to telling the truth! The **Third Secret of Fatima** was explained to me by **Our Lady** at different times. It should have been revealed to the world long ago. The Church shouldn't have come to this day with two Popes, this isn't possible! **Our Lord** no longer enlightens those at the top in the **Vatican** and the world's more and more confused, because it's without guidance.

The richest cities will be impoverished; the Chinese people are insensitive to the commandments of our Lord. They'll be chastised, because ambition reigns there. Their intelligence is not from above, their intelligence flatters the eyes of man. The innocent will be saved, but they'll have to acknowledge Our Lord as the Redeemer of their souls.

The French people were warned by Heaven more than once, and there will be warnings again, so that they can return to the Christian faith. The American people will suffer many natural catastrophes, they won't be able to make war on anyone. Many will be converted very soon. The evil has taken power in this people, but it will fall soon.

Russia will soon be in a condition to submit to the will of Heaven. Brothers, sisters, all this is part of the Third Secret of Fatima. Soon, I, Lucia, together with My cousins, together with Our Lady, will speak to the world. We'll tell you even clearer things to make you face the future, which is very dangerous for those who don't pray, but this isn't understood. For now, I can't tell you any more, I've to go. Our Lady is blessing you all, in the name of the Father, the Son and the Holy Spirit.

Our Lady is with me and with you.
