**MESSAGE OF SUNDAY 3 APRIL 2022**  
*(First Sunday of the month - facebook direct)*  
**OLIVETO CITRA (SA) ITALY**

**SAINT MICHAEL ARCHANGEL**

Don't fear, don't fear, don't fear, I am **Michael** the most powerful **Archangel** who is in Heaven and on earth, I am the Sentinel of the **Virgin Mary** and I am in the presence of **God**, among you is the presence of the **Archangel Gabriele**, together with the **Archangel Raphael**, the **Most Holy Trinity** came down among you with great power. The hand of the **Almighty** has sent Me among you, to bring the light that the world lacks, darkness covers the life of sinful men, men who lead other men of **God** to sin, hot coals burn on their heads, always more sin, more and more sin, the **Highest** is ready to punish those who have ignored His calls. We **Angels** are in the world, to bring innocent souls to the **Father's** sight, the time has come to shake your garments from sin, walk pure as the **Most High** created your souls, the pure men will shine in this world of darkness, of sadness, Our enemy has managed to corrupt the men of this world, but he will never be able to corrupt the men of **God**: those who trample him with love, with humility, with the strength to renounce sin. Many souls are pure without knowing it, without knowing **Our Lord**, taking care of their brothers and sisters, loving without limits, this is what the **Most High** asks. Brothers, sisters, all that the **Mother SS. Mary** announced in **Fatima**, it began, what you are experiencing, rumors of wars, but it is only the beginning, man is too far from the arms of the **Father**, to understand that this is His will, many innocent souls will reach His arms and they will be happy, because they will leave this iniquitous world, don't weep for them, weep for sinners, I repeated this phrase to the little **Jacinta and Francisco**, and now I repeat it to you.

**Russia will continue to fight its enemies, all this is allowed by the Most High, Russia will be repudiated by the world, the men of power who govern it, will have great signs from Heaven, so conversion will begin, its consecration will not take place through men who have repudiated the Most High, the Most High has ordered to choose to the Virgin Mary the souls that will make this gesture. Don't be afraid, you will experience great wonders, together with suffering, because the world needs mercy and salvation.**

**Brothers, sisters, Italy will be betrayed by Nations, who pretend to be friends, this too is allowed by the Most High, it will be the just punishment for the Vatican.**

**Everything will change in the world, many peoples will not enjoy peace as long as they continue to sow wars and hatred.**

Brothers, sisters, many souls in purgatory have been brought before the **Highest** thanks to your prayers, but it's still little, because the world ignores the power of prayer, man was created to adore and love His **Creator** and His creatures, the Creation of the **Most High** doesn't belong to man.

Brothers, sisters, Our presence is powerful in your midst, the **Most Holy Mother Mary** prays every moment for her children, prays to the **Most High** every moment, so that she will grant mercy, and prays so that her children will know the love of her son.

Brothers, sisters, My words are for the world, the **Highest** still granted time for conversion, that's why so much suffering, **many famines will strike Africa, and the world will turn its back, We Angels will give Our strength to everyone. those who will ask for help. Brothers, sisters, I love you, I love you, I love you, soon I will speak again, soon the Angel of Peace will speak to Portugal about him. Soon, the Archangels Gabriel and Raphael, will speak to some Nations that are under their protection,** today My mission has come to an end, I give you the blessing of the **Holy Trinity**, in the name of **the Father, the Son and the Holy Spirit.**
