

MESSAGE OF SUNDAY AUGUST 7 2022 (First Sunday of the month – Facebook direct) OLIVETO CITRA (SA) ITALY

SAINT BERNADETTE

All kneel, put your hands together in prayer, the **Beautiful Lady** is in front of you, close your eyes, let's all say three Hail Mary, pray in faith and you will feel **Her** presence, **She** wants to gladden your hearts.

The Beautiful Lady has touched your hearts, have faith, because with prayer it is possible to obtain impossible things.

My brothers and sisters, I am **Bernadette**, the last person who should have merited to live Heaven on earth, the **Beautiful Lady** has conceded me this grace, and she has conceded it to you too, who pray and have come to know the grace of **God**. Be witnesses of faith and love in this world, now turned off and far from faith, we must gladden the heart of the **Beautiful Lady** who is very sad, so many souls are being lost, you who have known the truth are responsible for so many souls, always have prayer as your goal. I, after having seen **Aquero'**, could not think about anything else, in my mind I prayed all the time, so I felt less alone, you too should do the same and teach to those you love to do the same, so we will gladden the heart of the **Beautiful Lady**.

In this world sin is prevalent, powerful people are all corrupt, their mission is to make the world more and more perverted, this is what the Beautiful Lady revealed to me in one of her latest apparitions, I did not understand much, but then all was clear to me, the power that God the Omnipotent Father has given to all those who pray is the rosary beads, pray always so you show that you love your neighbour.

Many nations will be humiliated directly from Heaven, natural catastrophic events are about to happen in France, my France, very hard and nowadays not very Christian, will have to lower her expectations and recognise the Beautiful Lady as her protector, and that's why it will change its flag, recognising my Lourdes; all that will happen very soon.

Now my **Beautiful Lady** calls me, lay your left hand on your heart, the **Beautiful Lady** blesses us all in the name of the **Father**, the **Son** and the **Holy Spirit**, and so we do the sign of the cross.
