## MESSAGE OF SUNDAY SEPTEMBER 4 2022

*(First Sunday of the month – Facebook direct)*

OLIVETO CITRA (SA) ITALY

### SAINT PETER

Brothers, sisters, people of **God**, I am **Peter the Apostle** called by **Our Master Jesus Christ** son of **God**.

Today is an important day for you who hear the word of **God**, brothers, sisters, love, love our **Master Jesus Christ**, He alone shows you the way to salvation, to love and to truth. **Very soon there will be a new Pentecost in the world for all those who will escape the punishments that very soon will happen**, listen always to the words of the **Mother of Jesus Christ**, She loves you immensely and wishes that everyone be saved from all that is being prepared. You must pray, you must pray and help others to know the importance of prayer, my **Master Jesus Christ** taught all of us how to pray, to pray with your hearts and with faith, believe in **Him** and in the power of **God the Omnipotent Father**, to whom nothing is impossible.

**The new Pentecost that will come will form the new Holy Church, all those who will take part will do God's will, just like the way He wishes it to be**, there are no other ways to salvation, the only way is **Jesus Christ** the son of **God**.

Be united, love one another and form prayer communities, that will help those who don't pray, who have believed in the world and not to the **Most Holy Trinity**.

Fear not those who persecute you, who deride you, who don't believe, very soon they will understand that they have wasted some precious time. I will always pray for all of **God's** people so that all may attain the salvation of their own soul.

**Brothers, sisters, now I must go, but soon I will come back, be ready**, I give you the blessing of the **Holy Trinity, Father, Son and Holy Spirit**. May the love of the **Holy Trinity** descend upon your hearts.
