**LUCY OF FATIMA**

Brothers, sisters, I am **Lucia of Fatima, Lucia Dos Santos**, the world has not yet recognized Me but I am in Heaven with Our **Lady**, with **Jacinta** and with **Francisco**, They too are here today with Me, to speak to the world, unaware of the hoaxes that have taken place in the past involving the **Third Secret of Fatima**. When I lived in **Coimbra** the years had passed for Me, I sang every day together with some sisters who believed in Me and who accompanied Me until my death, I wanted to remember the moments lived in **Fatima**, at the Cova, together with **Jacinta** and **Francisco**, I sang like this: “On 13 May **Mary** appeared to the three shepherd children at the Cova de Iria”. Now let's sing together, tears were flowing down My face, it was a sweet moment to remember what happened, **Our Lady spoke to Us a lot, until October 13th, the day of the great miracle, this is what the world knows, but We will reveal to you what that you don't know.**

**JACINTA OF FATIMA**

Little brothers, little sisters, I am your little sister **Jacinta**, we are here to speak to the world, so that it can hear what **Our Lady** has revealed to us. **Our Lady** spoke to us often, She revealed to us very important things that speak of this moment, **the Third Secret of Fatima was tampered with several times in the Vatican, they wanted to change every word, because so many things touched them, if this would be revealed, the world would have converted.** **Our Lady** has always taught us to tell the truth at any cost, she told us that she too, her son, **Jesus** died to tell the truth. **Our Lady** on October 13th gave a very great sign, so that many souls who arrived from many different places, could believe, but as time went by, many consecrated people made many souls leave, and still today many souls go to hell, I've seen it and it's horrible, seeing so many souls who go there, so many consecrated people I've seen there, believe it, it's the truth.

**Our Lady** spoke to us so much, about so many Nations that would disappear, and she told us do not be afraid, because whoever prays has the protection of Heaven, she told us, listen to your heart because there is the truth.

**In the world now the Laws of Our Lord are no longer respected, and that's why the world is undergoing this great purification, through wars, epidemics, this is nothing, there will still be many wars, ever greater, many epidemics there will be in various parts of the world, this will serve so that man can understand that God is Our Creator and not man.**

**FRANCISCO OF FATIMA**

Little brothers, little sisters, I'm **Francisco**, don't worry, we are here because **Our Lady** wants the world to know the truth that She revealed to Us, when **Our Lady** appeared to Us, We asked her: Madam, will the wars end? And She replied: my children, when men will convert and will love God, wars will cease. Then He told Us that the world would have a guide, that He would have to reveal all that **Our Lady** had revealed to Us, **John Paul II** was **God's** mercy in the world, but the men of power prevented him from revealing all this, they preferred to serve human power, putting **Our Lord** aside. **Pray little brothers and sisters, because even greater things will happen, Our Lord desires everyone's salvation, Our Lady** implores **the Father** so that no soul is lost, let us help her with prayer, with penance, We have done it and continue to do it, little brothers , little sisters, wake up the **Third Secret of Fatima is underway.**

**LUCY OF FATIMA**

**Brothers, sisters, the ecclesiastical authorities are collapsing, fear, dread will succumb to them, they will pay for the cheating they have done. Our Lady** asked Me to reveal the **Third Secret of Fatima** to **John Paul II**, that she should spread it all over the world, He is the innocent Pope, he is not to blame if souls have been deceived. **The blow that is in the crown of Our Lady at Fatima, has been replaced, to destroy the evidence, the same ones who organized the killing of John Paul II, which never happened, by the will of Our Lady, were responsible.**

**The whole truth will come out, even about Albino Luciani, he is too innocent, he is a martyr,** brothers, sisters, not everyone has the courage to speak about this, but no one can stop **Our Lord**, who established justice, because the **Third Secret of Fatima** is important for the salvation of humanity.

Pray for the bad guys who hurt their souls, hurting others. **Our Lady** always asked us to pray for poor sinners, today I ask you, pray and don't judge, love and forgive, be pure souls because the world is not pure, only those who respect the Holy Law can be.

**Brothers, sisters, soon, very soon we will be back to speak to you,** now We must go, let us sing once again all together, so that the love, peace, serenity of **Our Lord** and **Our Lady** may descend upon you.

**Our Lady** blesses us all, in the name of the **Father**, the **Son** and the **Holy Spirit.**

**Our Lady** is with me and with you.
