MESSAGE OF SUNDAY DECEMBER 4 2022

(First Sunday of the month – Facebook direct)

OLIVETO CITRA (SA) ITALY

JESUS

Brothers and sisters, it's I, your Brother **Jesus**, the One who beaten death and sin. It's I, your **Saviour**, the **King of Kings**. I have descended with power in your midst, together with **God the Omnipotent Father**, together with **The Most Holy Virgin Mary**, My Mother, your Mother and Mother of the whole world, the **Holy Trinity** is here in your midst.

Today is a very special day for all those who love Me and those who don't love Me, My merciful love is immense for all of you, brothers and sisters I have taught My Apostles to pray, to love. They have brought the testimony of my love to all the world, They have believed in Me and they have shown it. I have taught them to love each other, I have taught them to love their neighbour, this is the will of the **Holy Trinity**, to spread love in all the world, where they believe in Me and where they don't believe Me yet, but soon, very soon, even those who don't believe in Me will understand how big my love is especially for them. Brothers and sisters, today I invite you all to the holy conversion, to the conversion that brings so much love, to those who still need to know My love. This is a very difficult time, but if you pray and open your hearts to the love of the **Holy Trinity** you don't have to fear because you will be protected to the end, until the end of your days on this earth.

Brothers and sisters, the word truth for you must be like light that shines on this world of darkness, in this world where lies abound, don't let yourselves be tempted by Satan, because he wants your ruination, he wants to make slaves of your souls, he wants to take you to hell, and this I will not permit, but you have to pray, pray with all your heart, with all your soul, until you will form a shield of protection around yourselves.

Brothers and sisters, the times you are living now are dark times, times of tribulations, times of prosecutions, be strong, have courage and be perseverant on the road I am showing you, the road to salvation of your souls.

Brothers and sisters, I ask you to be always loving, with everyone, only in this way they will recognise you as belonging to the **Holy Trinity**, there is no greater love than the love we donate you, don't let evil fool you, he is always ready in times of discouragement, in times of tribulations, in moments of trials, pray, pray, and never fear.

Soon, very soon, there will be lots of confirmations on the walk you have undertaken, but you must withstand all trials, be ready and fear not, the joys will be immense for those who will accept My invitation, My word.

Brothers, sisters, fear not about all that is happening in the world, because liars will be found out, lots of powerful people will fall, because love and truth are stronger, are greater and will triumph.

Brothers and sisters, many prophecies soon will be confirmed, therefore I tell you to let yourself be ready.

Brothers and sisters, I love you, now I must leave you, but soon I will return to talk to you, I give you My blessing, in the name of the **Father, the **Son** and **The Holy Spirit**. Amen. The **Holy Trinity** is with you.**
