**MESSAGE OF THURSDAY 8 DECEMBER 2022
Grotto "MARIA SS. DEL PONTE" - PARTINICO (PA) ITALY**

HOLY VIRGIN MARY

My children, I am the **Immaculate Conception**, I am the one who gave birth to the Word, I am the Mother of **Jesus** and your Mother, I descended with great power together with My Son **Jesus** and **God the Almighty Father**, the **Most Holy Trinity** is here among you.

Thank you my children for praying here today, your prayers have gladdened My heart which longs for your joy, this place belongs to you and I want you to love it as I love it, this Grotto is a piece of Heaven on earth, many of these they feel it with their hearts because with the eyes one cannot see, appearances often deceive your hearts.

My presence is always here, this Grotto must be a true Church for you, take care of it, one day many will come here to experience what you are experiencing today.

My children, a very large Cross appeared here, made up of clouds, that day the sky was clear, that was the only cloud that could be seen, it pulsed like a large heart and moved, one day this prodigy will repeat itself, many will they see in that era, soon the Archangel Michael will tell you the year and the day, so you will celebrate this prodigy to pass it on in future times, because the confirmations will be many.

God the Almighty Father is interested in the conversion of souls all over the world and will do everything possible for this to happen, until the end of time.

Love the cross and always carry it with you, today I wish to mark you with the Holy Cross, so that you may be purified from this world which disturbs you, which sends you into confusion, which discourages you.

My children, I love you immensely, My Son **Jesus** also loves you immensely, He is here, He is touching some of you, you will feel His presence with a weight on your head, it is His powerful Hand, now come to Me, responding to Mine prayer: Glory be to the **Father** and to the **Son** and to the **Holy Spirit**, as it was in the beginning, is now, and ever shall be world without end. Amen.

My children, many of you have felt My presence, your hearts were beating very strongly, confirm my children, all my children who are not present here with the

body, but are united with this day, I also wish to mark you: Glory be to the **Father** and to the **Son** and to the **Holy Spirit**.

I love you my children, all of you, today you have reached a goal, here **Cappellino** was marked like you when I appeared to him, I spoke to him so much about Heaven, I spoke to him about My Son **Jesus**, I explained to him why and how he died on the cross, I have chosen this day that the world celebrates and honors Me, so that My Son **Jesus** is also honored on this day, because His sacrifice must be respected above all. Persevere my children, because one day My son **Giovanni Cappellino** will speak to you about this day and about all that I have revealed to him, the things of Heaven are mysterious and must be earned, **Cappellino** lived here miraculously, loving the heat and the cold, loving everything that belongs to this place.

Many people have come to this cave, receiving signs, the caves in this world are a mystery. My children, now I have to leave you, thank you, carry this serenity in your hearts, now I bless you all, I give you a kiss, in the name of the **Father**, of the **Son** and of the **Holy Spirit**.

Shalom! Peace my children.
