**MESSAGES OF SATURDAY 13 MAY 2023  
“COVA DA IRIA” CHAPEL OF THE APPARITIONS  
FATIMA (PORTUGAL)**

**JACINTA OF FATIMA**

Do not fear, **Our Lady** is here in front of us, we have longed to speak to you here in this place, where She appeared to us and she gave us great messages for the world. Today May 13, a very special day for us and for the world, We wish to be the voice of **Our Lady** who speaks to the world, do not be afraid, She is here, the world needs so much prayers made with the heart, **because many Nations are at risk, She also revealed to us the names of the Nations and showed us what would happen. The wars will continue even more, God will allow it until man converts, many Christians will be persecuted, many even killed, but Our Lord will take them to Heaven for the love they have shown for Him, He has revealed these things to us Our Lady. Fatima will be a point of reference for those who believe, because this place has been blessed by the Archangels, they watch over this place, so that evil can never enter.**

**FRANCISCO OF FATIMA**

Little brothers, little sisters, fear not, the Archangels protect you, have faith, this place is for us a place where **Our Lady** has given us all Her love and has made Us responsible for what humanity would have suffered, the **Secret of Fatima** gave so much fear, **Our Lady showed us the suffering that the world would suffer, all this will happen so that hard-hearted nations can submit to Our Lord. The sea will cover 3 Nations that will disappear, then they will remember Fatima, its Secret, little brothers, little sisters, suffering purifies, suffering saves many souls, Our Lady** asked us from this place to offer many sacrifices in reparation for the sins committed in the world. Offer with your heart too, it will be easier.

**JACINTA OF FATIMA**

**Little brothers, little sisters, the Church will no longer recognize the Third Secret of Fatima, for this reason Our Lord has taken away its power. Our Lady** showed us hell, I cried a lot, I was afraid of what I saw, I saw many souls going there, it was very ugly, believe it, it is the truth.  
**Little brothers, little sisters, pray for Asia, they will suffer a lot, pray especially for those who do not believe, Our Lady** wishes to save everyone, she always told us this in every apparition, We still asked Him for a little mercy.

**Lucia** is always with us and we are always with her, even when she was alone she was always beside her, **Francisco** and I, she helped us together with **Our Lady**.

### **FRANCISCO OF FATIMA**

**Lucia** was a mother to us, We love each other very much, and we were united in everything, you do the same too, always be united and you will be a strength. Little brothers, little sisters, thank you, **Our Lady** is calling us, pray to us We will make ourselves feel close to you. **Our Lady** blesses us all, in the name of **the Father**, the **Son** and the **Holy Spirit**.
