MESSAGE OF SUNDAY 4 JUNE 2023
(First Sunday of the month - Facebook live)
OLIVE GROVE CITRA (SA) ITALY
(Holy Trinity Day)

SAINT JOHN PAUL II

Brothers and sisters, I am **John Paul II, Karol**, today is a great day, the **Most Holy Trinity** sent me to speak to the whole world, which needs so much to be guided, I will reveal to you what **Lucia of Fatima** confided to me, your holiness was not recognized, the Church feared **Lucia** because she carried the message of the **Most Holy Virgin Mary**, very soon **God the Almighty Father will exalt you together with the Secret of Fatima**, the time has come for the world to know what it is about to face very soon, the Church can no longer hide, the great discernment in it has begun, be strong because the whole world will be involved, those at the top of the Vatican have always managed everything. **Bergoglio's ascent was planned a long time before he was elected, they preferred to elect the one who would have consented and approved their mistakes, their sins, He knows all this, he has always known it but has done nothing to oppose it, they have always tried to silence anyone who wanted to shout the truth, they silenced Albino Luciani, He had understood that evil had entered in to the Vatican, the truth will soon come out, they tried to silence Me too, that 13 May, the day of the anniversary of the first apparition of the Most Holy Virgin Mary to the little shepherds of Fatima, but the Virgin Mary protected Me, She was with Me at all times, I often saw Her, She guided Me.**

Brothers, sisters, never lose faith, soon there will be much clarity, but in this time of great confusion, pray.

One day I had a vision, I saw the Christians persecuted, killed, I saw the empty churches, suddenly I saw **Most Holy Virgin Mary** who placed the Holy Rosary in My hands, with that vision I understood the importance of the Holy Rosary, recite it with faith, with love, and you will face life's trials with the help of the **Virgin Mary**.

Brothers, sisters, I love talking to you so much, I still guide you from Heaven, My mission is never finished, My spirit is close to all the young people of the world, you too be young at heart, be pure like the young.

I love you so much, now I have to go, always honor the SS. Trinity. I bless you brothers and sisters, in the name of the **Father**, of the **Son** and of the **HolySpirit**.
