MESSAGE OF SUNDAY 2 JULY 2023
OLIVE GROVE CITRA (SA) ITALY
(23rd Anniversary of the first Event)

HOLY VIRGIN MARY

My children, I am the **Immaculate Conception**, I am the one who gave birth to the Word, I am the Mother of **Jesus** and your Mother, I descended with great power together with My Son **Jesus** and **God the Almighty Father, the Most Holy Trinity** is here among you.

I am very happy to welcome you here where I appeared a few years ago, that day I remained here for 4 hours, many of my children came here to see Me, not all of them saw Me but they listened to the tears of My Son **Jesus** who was among My arms, some of them saw Me enveloped in an immense light seeing My silhouette but not My face, that day I gave many signs, My Son **Jesus** performed healings, the whole country became aware of all this but not everyone believed, I promised that I would give many joys and tangible signs to those who would have the courage to believe. This place has been persecuted by the Church, many of my children have moved away, but those who have continued to believe in it still come here and I am very happy for them.

My children, thank you for being here, many of you have had many obstacles to come here, but My Mantle has protected you all so that today you can have the joy of My presence, of My love for you.

Place your Rosary in my hands.

My children, your prayers have ascended to Heaven, these crowns have been blessed by the Blessed Sacrament. Trinity, I invite you to give them to people who are sick in body and spirit, and when you pray on this day, I will always bless your Rosaries, it will be a special blessing that will give you many signs.

Today many of my children will be healed, some of you are here, some of them will be the ones you prayed for. Soon many souls will come here, where a multitude of sins will be forgiven, this place is a place of conversion and from today many things will change, many will begin to believe.

My children, many of you do not believe completely, I still desire to give signs, many hearts are beating very strongly, many are praying to Me and I want to please you by thanking you for your perseverance.

My children, believe it because it is the evil that puts doubts in not making you believe, I desire to give joy in your hearts and if you are humble your hearts will open up to My love.

My presence is still very strong among you, this wind that gives you shivers is My Mantle that touches you, many feel these shivers, I wish to give you My perfume, close your eyes, I am passing among you, all those who smell My perfume confirm.

My children, emotion opens your hearts, be simple like children, and let the love of My Son **Jesus** enter your hearts, and represent He with humility, with joy, be meek to drive away the evil that exists in this world which leads you down the wrong road. Your pray must be the call to **God the Almighty Father** who comes to help you in the moments you need it, the illnesses are not always healed, they are used for conversion, always accept the will of **God the Almighty Father** who loves you all and wants to lead you all in Paradise. The world is now adrift, the guide is in your hearts.

I love you my children, immensely, always gather in prayer on this day that I love so much and I will give you great signs wherever you are. Now I have to leave you, I will accompany you to your homes.

I love you, I bless you all, in the name of the **Father**, of the **Son** and of the **Holy Spirit**.

Shalom! Peace my children.
