## **MESSAGES FOR MONDAY 13 MAY 2024**

*(Prayer meeting)*

*(Occasion of the first apparition of Our Lady in Fatima)*

**ITALY**

### **LUCIA OF FATIMA**

Brothers, sisters, **I am Lucia of Fatima, Our Lady** is here, can you believe it? So, she wants to be heard, honor her, praise her, exalt her.

Brothers, sisters, **Our Lady** comes to you whenever you wish. **Our Lady** is happy when you pray with your heart, she loves to give you Her presence as you felt it now, while you praised it, with strong shudders, confirm. I want to tell you, even though I lived many years locked away, my heart was always there full of joy, because I wasn't alone, I never have been, even though sometimes I missed everything, but My life was mystical, and they never wanted to let it be known, they felt small before the greatness of **Our Lord** when they saw Him through what happened to Me.

**Our Lord has always established that My life, what I have experienced, must be known, no one will ever have the courage to say what he knows, even though many have left this world, what they knew about me they revealed to those who came after, this is by the will of Our Lord, because when they hear what I reveal through you, they will have confirmations.**

Brothers, sisters, never be afraid, if you do the will of **Our Lord** nothing will happen to you, he will be missed, just like the Apostles of **Our Lord**, and just like all of those who served **Our Lord** in this world. I want to reveal to you the key to being strong, obedience and humility are the key to never falling, remember this Always.

**Brothers, sisters, since today is a special day, I reveal something else to you, Our Lady one day she said to me: Lucia, you can't see what happens in the world, My children will be dragged into sin, destroying the image of Holy Family, Lucia the future of humanity will worsen in this aspect, Satan will bring sin to normality, making people unite against nature, and this is an offense to Our Lord and to the Sacred image that He has given to humanity through the Holy Family, with Joseph as my husband in this world, who fulfilled the will of God the Father Almighty.**

Brothers, sisters, I was confused and distressed by all this, I didn't know how to console **Our Lady** who was telling me all this while crying. **Lady** it's a very bad thing, I will do a lot of penance so that this does not happen. My baby, they will not be enough, but You will help Me in the future. What I'm doing today brothers and sisters, I am helping **Our Lady**.

After this dialogue, in My room, in the convent of **Coimbra**, he actually introduced himself **Joseph**, and he started talking to me, and that's what he's going to do today, he's going to talk to you too, this it happens by the will of **Our Lord**.

That day was May 13th, one of many of My years lived in this world, **Joseph, Saint Joseph**, did not stay with Me for long, at least it seemed to Me which ended immediately, but what he told me, has accompanied me throughout my life, and I have written what He revealed to Me about the **Holy Family**.

### **SAINT JOSEPH**

My children, that day, when you appeared to **Lucia**, there were few sisters in the convent, many had flocked to **Fatima**. I consoled Lucia and told her: Lucia, My daughter, this world cannot give what Heaven gives, do not fear, all that you are living here is all by **God's** will, don't be distressed by the things that happen, You are still a little girl, when My Little Son and Your Brother **Jesus** was your our age, he received a lot of suffering, all this happened because **God** wanted prepare him when his time would come, I often didn't understand, but I, like you Lucia, I was continually enlightened by the **Angels** who appeared to me.

Lucia, **Mary** is revealing the secrets of Heaven to you, because you can reserve them in your heart, and at the right time you will reveal them, **God** has given you a strong spirit, and day after day he is strengthening you. Many times, you fear that you cannot support all this, but **Mary** is close to you, and makes you understand that you are chosen.

My children, while I was talking to **Lucia**, she was crying and praying. I approached her to do so feeling My hand on her face, she kissed Me and thanked Me. Lucia, I told her, when **Jesus** was born, **God** took **Mary** with **Jesus** and placed us as an image of the **Holy Family** of Heaven and earth.

In those days there was a lot of fear, but evil darkened many eyes, and even in those times there was perversion, what **Mary** is revealing to you has been repeated and will be repeated, but You can pray and pass on the help that **Mary** is giving through You in world. My daughter, your hand is held with **Mary**, take care, she never leaves you, it's in Your heart, you know, your spirit of truth is growing stronger, as **God** will give you permission, nothing can stop you.

### **LUCIA OF FATIMA**

Brothers, sisters, after some time, I sent **Joseph's** message to the small people of **Fatima**, and a very large part has jealously preserved the Sacred image of the Family, because they believed My words. Many of them went to the Cova every May 13th, and received great signs.

**Brothers, sisters, I understand that what I am revealing to you is a lot. I will stop here, I'll talk to you again soon, I have so much, so much to tell you, this is a task that Our Lord entrusted to Me.**

I must go, but first, once again, I want you to praise **Our Lady**, because She is happy when you do it, **Our Lady** when she appeared to us for the first time, to Me, to **Jacinta** and to **Francisco**, she was dressed all in white, only there her belt was golden, that white was a light, a white that in this world doesn't exist. **Our Lady** blesses you all, in the name of the **Father**, of the **Son** and of the **Holy Spirit**

**Our Lady** is with me and with you.
