MESSAGE OF WEDNESDAY 12 FEBRUARY 2025

(Prayer meeting)

SANT'ANTIMO (NA) ITALY

SAINT BERNADETTE

My little brothers, my little sisters, I am your little sister **Bernadette**. I prayed to be here among you and to be able to speak to you, to tell you that the love of the **Beautiful Lady** is immense for all of you. She is here believing it. She is in front of you. She opens her arms to cover you in her mantle and often cries because she is sad knowing that prayers are not enough. Seeing that many are moving away from the Christian faith, seeing that the world is leading to forget that **Jesus Her Son is Salvation**, that the Cross must be carried every day, even if many do not accept it, the Cross is for everyone.

In this world there are those who carry it loaded with sins, limping, never to reach any goal, and then there are those who carry it without realizing it, accepting the will of **God the Father Almighty**. Little brothers, little sisters, you cannot avoid anything, but you can face everything with faith. Those who lack faith weaken their Spirit and their body.

The world has now become ill because of many sins, the most serious of which is power, without recognizing the presence of the **Holy Trinity** and the **Beautiful Lady**. People are badly led, both by the power of the Clergy and by the power of the world.

My little brothers, my little sisters, there is also so much joy that awaits you. The joys are ready for you, hurry to reach them with prayer, with true conversion, with humility, and never forget to be truthful, but also very merciful, because mercy is important for the salvation of souls.

God the Father Almighty knows the heart of each of you. Always tell the truth to yourselves, to represent light wherever you go, **be a guide, I was one too. I changed several places to testify to My conversion and make credible what I had seen in Massabielle, a place where now everything is stopped. The Beautiful Lady is always there to welcome her children, to listen to prayers, to console many hearts. But miracles cannot happen for a long time now, because that place is badly managed. Soon everything will change, miracles will return, Lourdes must not be forgotten by the world.**

I am happy that in many homes you have my image. Even in **Lourdes** there was supposed to be one at the Grotto. Before leaving this world I wrote everything that the **Beautiful Lady** wanted, but many things were not considered. Try not to make the same mistake, consider everything, so that everything that is established for each of you may be realized.

My little brothers, my little sisters, many hearts among you are opening to My words, like a veil that is removed to be able to see, and you are thanking Me. You do not have to thank Me, but the **Beautiful Lady**. The mercy, the love, the forgiveness, and all that is needed to fulfill the will of the **Most Holy Trinity**, you must never forget it. Suffering becomes joy when it is accepted. Now I must go, the **Beautiful Lady is calling me. I will return soon**. She is giving you Her blessing, in the name of the **Father, the Son and the Holy Spirit**, amen.
