**THE MESSAGES OF AUGUST 2019
(SUMMARY OF THE MESSAGES RECEIVED IN THE DAYS

**GROTTO: "MARIA SANTISSIMA DEL PONTE" (THE MOST HOLY MARY
OF THE BRIDGE) - PARTINICO (PA) ITALY**

HOLY VIRGIN MARY

My children, I'm **the Immaculate Conception**, I'm the Woman Who gave birth to the Word, I'm **Jesus's Mother** and your Mother. I've descended with very great power, together with My Son **Jesus** and **God the Omnipotent Father**. **The Most Holy Trinity's** here among you. I'm **the Most Holy Mary of the Bridge**, so the young shepherd, who saw Me here, called Me. He was very young, his name was John. Even if what I'm saying to you is very old, one day you'll have confirmations, because the truth is written somewhere in it and I Myself will give confirmations and those, who will have derided, will regret it. **The truth of this Grotto, of this place is great. One day, not far away, I wish you to make a book with the whole of history, which I Myself tell you day after day.**

This Grotto represents ancient times, the communities of ancient times, even the one that built My Statue. They prayed day and night. I appeared here at 6 a.m., the same time that they built My Statue.

The community, called "Baptizing", honoured Me as a **Queen of Israel**. The women of that community designed and sewn My dress to represent the Queen of those times. The whole community was guided by the **Holy Spirit**. They were very simple and they prayed the **Father**, the **Son** and the **Holy Spirit** so much. The young shepherd, who saw Me here, was very humble: he bowed down taking off his hat even in front of his small flock. He took off his hat in front of whoever he met, in order to greet so and, since he was very small, they called him "Little hat". The community, that honoured and that built My Statue, which is here in this place today and which will soon return to its place in this Grotto, prayed, sang, praised the **Most Holy Trinity** and baptized everyone who believed in them. They brought many souls onto the salvation way and, for this reason, the **Most Holy Trinity** wishes to remember them. The day in which the young shepherd, who saw me here, started talking to everyone about it. Many loved him and believed him and they came here and many saw Me. **I left great tangible signs in this place, which you'll discover day after day.** The people, who came here, went to speak to each one of them in their Churches and, as they got to know each other, they came to know all of this. The Church didn't intervene immediately, but when it did, they came here and found My Statue, but they didn't believe that My presence was here.

SAINT JOHN THE BAPTIST

Brothers, sisters, it's I, **John the Baptist**, the One who baptized **Jesus, God's Son!** I'm the One who prepared the coming of **God's Son**. I've descended to talk about the origins of the community that **God** gave Me, it's all **God's**. Some of My disciples founded, by **God's** will, the community of the Baptizing: they followed My example and loved with all of themselves **God**, they loved with all of themselves **Jesus**; **Jesus's** Word was their only law. They loved, forgave, praised, thanked and accepted whatever happened in their way. After My earthly death, they continued to carry on **God's** plan with strength and courage. The founders of the community had the honour of knowing **Mary, God's Mother**, the most shining Woman of all Creation. They handed down over the years the cult of the love of **God's Mother**. The Statue was built with all their heart and with the devotion of the community; it's precious in **Mary's** eyes. They had many, many trials and persecution, but they never gave up. It's through their love and faith that **God** never allowed the Statue to be destroyed by the persecutors. My community, which is **God's**, lived on the basis of humility. Understand all this! John, the little shepherd, was very, very humble. Only such pure hearts can accept the greatness and immensity of the mysteries of Heaven.

HOLY VIRGIN MARY

My children, here in this precise place, the young shepherd always went and began here to think, to pray: this was his home for him! He loved to stay here with his little flock; even if it wasn't very welcoming, he bowed before this Grotto before entering and I wish you to put a hat here, to remember his presence

The first time, that he saw Me, was at the **Bridge**, where I left My imprint. He immediately understood that I wasn't from this world. He thought that it was an Angel, but he wasn't afraid. After a few days, I called him and I said: ""Little hat", do you know **Jesus?**". He said to Me: "Certainly!" and I said to him: "I'm His Mother"! He said to Me, "You're welcome in my house.

Write these words and leave them here, so that those, who come to visit me in this Grotto, may know all this.

Little hat, the pastor who saw Me here, was very young: he was 27 years old. Heaven welcomed him with itself after the third time that he saw Me. He had no one, but he had everyone, because he was very lovable: everyone welcomed him into their homes. In this Grotto, he received the Sacraments from the **Most Holy Trinity**, because he hadn't been baptized. He addressed his flock, saying, "Everything is more beautiful with you". He turned to the people that he met, saying: "Everything is more beautiful with you!" He raised his eyes to Heaven and he said: "Everything is more beautiful with them!" This was his prayer and he loved to sing it every moment of his life. She did it day and night. **Now I've to leave you. The world will have to know that this isn't a legend. The first little towns, that will be converted, will be**

Alcamo and Partinico. I'm giving you a kiss, My children, and I'm blessing you all,
in the name of the **Father**, the **Son** and the **Holy Spirit**.

Shalom! Peace, My children.
