GROTTO: "MARIA SANTISSIMA DEL PONTE" AND AT THE BRIDGE
PARTINICO (PA), ITALY**

HOLY VIRGIN MARY

My children, I'm the **Immaculate Conception**, I'm the Woman who gave birth to the Word. I'm **Jesus's** Mother and your Mother. I've descended with very great power together with My Son **Jesus** and **God the Omnipotent Father**. The **Most Holy Trinity's** here among you.

I live in this humble Grotto; it's rich for Me. Whoever lives in the world, without praying, doesn't understand My language. Pray to enter into the mysteries of Heaven.

I'm happy to be able to speak to you from this Grotto, where I'm revealing to you its origins. Many things take you back to ancient times. My Statue, which will return here one day, is kept here at this time, where its importance isn't understood and its origin isn't known. You form a community to which I'm revealing the true history that belongs to My Statue and to this Grotto.

The community of old, the community of the Baptizers, prayed many hours but they never tired, because the Holy Spirit was upon them. They sewed My clothes with a very fine cloth, mixed with camel hair. One day, it will be examined and you'll have great confirmations. The fine cloth was given by the Queen of Israel who believed in this community. I'll tell you much more; My Son John the Baptist will also tell you about this soon.

The community of Baptisers gave their lives to the **Holy Spirit**. On this same day (*16th August*) they began to sew My robe.

My children, it's I, the **Most Holy Mary of the Bridge!** This is what the shepherd, the little **John**, used to call Me. I loved to call him "**Little Hat**", as everyone called him because of his simplicity. Once, he saw Me with the **Child Jesus**. **Jesus** was crying and I said to him: ""**Little Hat**", My Son is crying, will you help Me?" And he answered: "Don'T worry, Mary, for now I'll make Him smile. He took out of His pocket a little bell which he used with his little flock. He began to ring it and **Jesus** smiled. He said to Me: ""**Little Hat**", have you seen **Mary**?"

The little boy smiled: "This little bell makes all My sheep obey. I said to him, smiling: ""**Little Hat**", many of My children will see Me here, but you'll be the one who will be remembered in history for your love and simplicity! He said to Me: "I also want to be your son, but I've nothing to offer You." "**Little Hat**," I said to him, "I offer you Paradise and you'll always remain at My side." **He too will speak to you very soon to tell you of the dialogue that we had.**

SAINT MICHAEL THE ARCHANGEL

Fear **God!** It's **Michael**, Prince of the Celestial Militia, Head of the Angels in the presence of **God**. Together with Me, there are the **Archangels of God: Gabriel, Raphael**. In your midst, the **Most Holy Trinity** is present together with the **Virgin Mary**. On this special day (*19th August*), We remember the last finding of the Statue of "the **Most Holy Mary of the Bridge**" in this Grotto. This event was repeated five times in two years, but many visions occurred over the years on the same days that the Statue was brought to this Grotto. 10,000 **Cherubim Angels** were deployed, dressed in white robes, adorned with wreaths of flowers, with a candle in their hands. 1000 **Singing Angels** were employed with another 1000 **Musician Angels**. 50 **Seraphim Angels** with 6 Wings of Fire were employed. The **Most High** granted Us, the **Archangels**, to wear golden clothes and to carry on Our shoulders the Statue of the "**Most Holy Virgin Mary of the Bridge**". Many children saw all that I described to you, but not only that, now I'm going to tell you about a miracle that happened on this day.

19 August 1657: a young family, consisting of a husband and wife with their small sick child, were returning from the big city to look after their little one, but on the way the little one died of pneumonia. They lost their way on the way back to their village, Alcamo. They found themselves on the Bridge and so fell to the ground and had a vision of Angels carrying the Statue of the **Virgin Mary** into Her Grotto. When they woke up, the child was breathing and crying but, when they returned to their village, they weren't believed, they were banished. But their hearts were consoled by the miracle that had taken place.

This story moved the **Virgin Mary's** Heart, who decided that their story should come to light and above all be told in the book of the history of "**the Most Holy Virgin Mary of the Bridge**"; their names will also be remembered forever: Francisco, Mary and little Michael. Brothers, sisters, today My mission has come to an end. I'll soon return with My brothers, **Gabriel and Raphael**. I wish to bless you all in the name of the **Father**, the **Son** and the **Holy Spirit**.

HOLY VIRGIN MARY

My children, let your prayer come forth from your heart! The community of the "Baptizers" prayed in this way; they were guided by the **Holy Spirit**. The women, who sewed My dress, took 40 days to do so, and the men, who carved My Statue, were guided by **John the Baptist's** Spirit, who pointed out to them every detail, so that it might represent Me.

Those who possess My Statue don't understand its importance. The legends about it are many, but only one is the truth and they don't know it. I'm revealing it to you. Soon, John the Baptist will make very clear to you what I'm telling you. The congregation broke the bread together with the wine and, blessing it as My Son **Jesus** had taught, they remembered His death and Resurrection as He had asked them to do.

SAINT JOHN THE BAPTIST

Brothers and sisters, it's **John the Baptist**. I'm He who baptised **Jesus, God's Son**. Brothers, sisters, the community that built the Statue of **Mary, God's Mother**. The men, who sculpted and modelled the Statue, were so afraid of building something not up to scratch that they prayed day and night that the **Most Holy Trinity** would enlighten them. **God the Omnipotent Father** allowed the materials used to create the Statue to be suggested by Me. The Statue of **Mary** is the emblem of the simplicity, love and dedication, that a group of simple men had towards **Mary**. They took 33 days to complete it. During the work, they fasted, at times without sleeping because their hearts fermented with love. **The Statue, that they created, is one of the first ever created in the history of Christianity in honour of Mary. Be honoured that it's now here in this land chosen and kissed by God. In this land, chosen by God, there's the presence of Israel, the Holy Land. Very soon, you'll have great confirmation of all this.**

The crown, which adorns **Mary's** head, is a reminder that She's the **Queen** of all creation and a reminder that it was the Queen of Israel who donated the precious fabrics that were prepared to sew the dress of the **Statue of Mary**. The camel's hair, which forms the details of the dress, was the same that My disciples kept with so much love from the day of My martyrdom. My clothes smelled of **Holiness**, of incense, of flowers, and the **Holy Spirit** enlightened their minds and hearts: that's how they used the camel's hair to finish the glorious dress of **Mary!**

Brothers, sisters, soon I'll tell you about the meeting that the community, which God donated Me, had with the Queen of Israel. I'll reveal you the details of those meetings, which couldn't be public in those days. The Queen of Israel couldn't have human relations with Christians, but she found ways to meet the women of the community. Even the 12 stars, which shadow the head of the Statue of Mary, are permitted by God, because they represent the 12 Tribes of Israel.

This immense story is born in Israel and is fulfilled in this very good land.

Brothers, sisters, I've to leave you. I'm blessing you, in the name of the **Father**, the **Son** and the **Holy Spirit**.

HOLY VIRGIN MARY

My children, here I'm revealing to you the secrets and mysteries that belong to **Heaven** and to this place, chosen by **God the Omnipotent Father**. All Sicily will understand the importance, because the signs will be great, and people will be talking everywhere about what will happen here. **This is an extraordinary story that has never been revealed. The first time We're revealing it to you, who will write a book. Be persistent, because it will take some time and a lot of willingness on your part.**

"**Little Hat**" knew, practised simplicity. Everything was beautiful for him, even the tears, which often ran down his face. It was beautiful for him, because he thought that it was a great thing that his face suddenly became wet.

In the first Apparition we had talked for many hours. I told him about the **Archangels** that he had seen. I said to him: "**John**, They'll always be near you and you'll often see them, because they'll teach you many things and prepare you to reach Heaven soon. Here I left My mark, on a very special day, where "**Little Hat**", as always, took his small flock to drink. In this river, which seems small, but it's very big, very dangerous at that time. One of his sheep was drowning, it was the oldest, but he wanted to save it anyway and risked his life. He didn't see Me but, from here, I held out My hand to him and he, clinging to My arm without knowing what it was, miraculously saved himself. He was very happy, but not for himself, but for his sheep one. When I appeared to him, he wanted to tell Me what had happened to him. He was so simple that he made My heart tender and I said to him: "**Little Hat**", you've donated your life for a sheep, just as My Son **Jesus** did, and for this you'll be remembered in history.

SAINT MICHAEL THE ARCHANGEL

"**John**, why are you weeping?" and he answered, "They've beaten me and taken away three of my sheep."

"What do you want me to do for you?" and he said, "Let my sheep donate the happiness they donated to me." Well, **John**, the **Most High** has tried your heart!" Brothers, sisters, "**Little Hat**," he, since he was a child, has always seen the **Angels of Heaven**, The first time, he was 22 years old, but only when he was 24 did he hear Our voice. Every day the **Cherubims** brought him the bread of the **Angels**, so that his body could nourish itself; his water was the water of the river.

I, Michael, desire that the path, leading from the Bridge to the Grotto, be built up of a white floor, like the Chapel. Many pilgrims on their knees will make the path, asking for graces.

SAINT GABRIEL THE ARCHANGEL

Brothers, sisters, the first time, that he saw the **Most Holy Virgin Mary**, he was sitting here. On that day, people were celebrating the **Immaculate Conception**. It was the 8th of December 1356, it was very cold. The **Most Holy Virgin Mary** had been here for 12 hours.

This bridge will be full of miracles! One day, it will take a long time to get here, because there will be so many souls coming here. This place will have to be a point of reference for those who want to receive graces.

SAINT RAPHAEL THE ARCHANGEL

"**John**, you're limping. The **Most High** wants to heal you through my hand." Brothers, sisters, in the last Apparition, however, the **Most Holy Virgin Mary** came down in the flesh and She had spoken to **John** for 6 hours. At the end; the **Most Holy Virgin Mary** told him that he would never hear Her voice again, but that he would see Her again.

Brothers, sisters, you must understand that, long ago, the path to the Grotto and the **Bridge** was different. Let Me explain to you what it was like: the path was covered with grass and wheat; on either side of the river, there were 2 slopes that led close to the river, near a ledge that ran all the way down the river. On either side, there were trees that followed the river and plants that grew on either side of the ledges. There were also some rocks scattered along the river and, on either side, **John** stood on one of these rocks. He was facing the **Bridge**, opposite the three arches. In the last moments of "**Little Hat**", the **Most Holy Virgin Mary** took him in Her arms and carried him with Herself. Only **John's** clothes remained on this earth. The river took them away, as it was decided

HOLY VIRGIN MARY AND *JOHN, NAMED "LITTLE HAT"

My children, today I'm going to make you experience a little of what happened in My first apparition to "**Little Hat**".

"John, are you happy that I'm here?"

**Yes Mother, my eyes have never seen such a beautiful light!*

"I'm here for you, John!"

**Thank you, but I've nothing to offer You. Enter my house: it's Your house!"*

"Soon, I'll bring you to My house, but first you'll have to be prepared."

**Where is Your house?*

"From here you can live it, but you can't see it!"

** Will my sheep come with me?"*

"Yes, John, they'll all come with you

**I love them so much. They donate me so much: they donate me their love."*

"One day, you'll be known throughout the world. Do you understand this?"

**Why, Mary? I've done nothing great.*

"You aren't of this world."

**Mary, I'm very happy. Stay still with me.!*

"Yes, Giovanni, I'll stay with you for a long time. I'll have to tell you many things, which you'll have to tell others."

**Tell me, Mary, my heart loves to hear Your voice.*

"In Heaven, there are many Angels, who on lived on this earth, but They weren't recognised and you're one of them."

**So, will I be able to fly?*

"Yes, John, soon! In a few years, you'll be flying with Me."

**Thank you, Mary! My heart wishes to be with You.*

" John, come closer! I want to kiss you just you kiss every sheep every day. "With You, everything is more beautiful," you always tell them."

**Everything is more beautiful with You, Mary!*

" John, are you happy to live in this Grotto?"

**Yes, Mary, it's beautiful to me! It donates me its warmth. It makes my heart happy. It donates me so much peace, even when I'm not considered by my brothers and sisters.*

"John, your parents are in Heaven. Did you want to know it?"

**Yes, Mary, I wished for it so much, do they see me? Tell them that I love them very much.*

"Soon, they'll come to see you!"

**Thank you, Mary, my heart continues to rejoice.*

"John, in Heaven there are no preferences like in this world. There, no one will harm you."

**Thank you, Mary! Here I'm laughed at, insulted and many times beaten. They tell me: "You're crazy!"*

"Don't fear, John! They also did it to My Son Jesus, unjustly."

**Mary, did Your Son suffer?*

"He suffered and rejoiced at the same time."

**I want to imitate Him!*

"In the next Apparition wait for Me, John, because I'll make you take My Son Jesus in your arms."

**I'll wait for you, Mary, don't delay! I'll cradle Your sweet Son, so that my humble arms may make Him rejoice.*

"Wait for Me and always forgive! I've so much to tell you."

**Mary, will the Angels go with you?*

"Yes, John, but they'll protect you from above. Soon, you'll see them again."

**Mary, Michael helped me a lot before You came along. Gabriel gave me such strength. Raphael healed my eye. Thank you.*

"I have sent them to you to prepare you. Before I go, is there anything you want to tell me, John?"

**Yes, Mary, everything is better with you. Thank you!"*

"John, you're a Heaven son. I love you, I'm blessing you, in the name of the Father, the Son and the Holy Spirit."

My children, We'll return to make you live these moments taken, do believe it, because the dialogue with "Little Hat" is a teaching, donated to you all.

I love you, I'm donating you a kiss, I'm blessing you all, in the name of the **Father**, the **Son** and the **Holy Spirit**.

Shalom! Peace, My children!
